

Motorcycling WA Race Secretary's Remittance Return

At each Competitive Activity the Race Secretary is required to submit the following information to Motorcycling WA **within five days** of the conclusion of the Activity.

The information will be used to generate invoices for the permitted Activity.

A person riding two or more machines is treated as one rider. For example if John Citizen rides in the Pro-Lite class and a Quad, then John is treated as one rider. Where there are sidecars at the activity the rider and passenger is treated as one rider.

- Please list the number of Timing Transponders **hired** by riders in column **4**.
- Please list number of Timing Transponders **owned** by riders in column **5**

This will ensure correct invoicing of \$15 (including hire and admin) for Hired transponders, and \$5 (for admin) for Owned transponders.
