

BULLETIN

TO: ALL CLUBS
FROM: Rick Gill, Executive Director
DATE: 24 August 2015
SUBJECT: Alcohol at Events

A reminder to all clubs that it is a MA requirement and a safety issue that there be NO alcohol consumed whilst acting in the capacity as an official.

This includes acting as a L1 official or Practice Supervisor at permitted or other practice sessions.

Clubs are also reminded that Liquor Licensing legislation may prohibit any consumption of alcohol at their venue outside of licensed areas.

With audits of venues about to commence, any official found in breach will be subject to disciplinary action.

Please ensure your members are informed and reminded of the MA policy regards consumption of alcohol.
