

BULLETIN

TO: ALL CLUBS

FROM: Rick Gill, Executive Director

DATE: 24 March 2015

SUBJECT: Trade in of Single Use (One Event) Licences

During the past year Motorcycling Western Australia in conjunction with Motorcycling Australia and all State Controlling Bodies has been working on an incentive to encourage riders who purchase a Single Use Competition Licence (SUCL) or Single Use Recreation Licence (SURL) to upgrade to an annual licence.

There are many benefits to both club and rider in encouraging more use of annual licences including: improved cash flow to clubs; less work for volunteers; more incentive for riders to participate more often at your club; and less complicated and more cost effective for riders. Riders who are trying the sport are not financially disadvantaged as they can ride using the Single Use Licence (SUL), then can commit to buying a full licence later.

To take advantage of this incentive is simple: the rider has only to present their SUL with their completed licence application to us within 14 days of the SUL issue and we will do the rest.

Like everything, there are some conditions to make it fair and these are listed below.

I would encourage you to promote this option to riders to whom the SUL's are issued.

Process:

- Issue a Single Use Licence (SUL) to riders in the usual manner.
- Advise rider that they can 'trade in' the SUL for an MA annual licence, the saving being the cost of the SUL just purchased.
- Advise rider the MA annual licence must be applied for within 14 days.
- Rider applies for MA annual licence with SUL attached within 14 days

Conditions:

Any rider who purchases either a Single Use Competition License (SUCL) or a Single Use Recreational Licence (SURL) may receive a discount on a new annual licence upon presentation of the SUL at the time of application.

- The annual licence must be applied for within 14 days of the use of the SUL.
- The discount offered will be the RRP for the licence purchased -
 - \$25 Recreation Licence
 - \$55 Competition Licence
 - \$77 Senior Veteran/Historic LicenceCurrent to 24/3/15 but is subject to change without notice
- No other discount may apply, including any family discount.
- All other required information as per application is to be supplied when applying.
- Discount does not apply to other Motorcycling WA services and is not redeemable for cash.
- Standard Motorcycling WA application and processing times still apply on annual licences.
- Only one SUL may be utilised for discount purposes.
- Discount only available on annual (12 month) licences.
- Discount applicable for NEW annual licences only (applicant must not have held an annual licence within 24 months of date of application)
- Recreational and MINI licences will only receive the SURL discount.
- SUL must be forwarded to the office with the initial licence application. No refund or discount will be forthcoming for SUL's supplied and/or obtained after receipt of the licence application at the Motorcycling WA Office.
