

BULLETIN

TO: ALL CLUBS

SUBJECT: Alcohol Policy

Motorcycling Western Australia has a commitment to ensuring that our competition and participation environment is not only safe and fair, but is a secure, healthy and encouraging place.

A very important element to ensure this commitment is met, is the safe and responsible use of alcohol.

Poor choices around alcohol does and can lead to serious consequences for club members, competitors, volunteers and the club itself.

A responsible club alcohol policy demonstrates to impressionable junior members that sound choices can be made regarding the provision and consumption of alcohol.

With the Department of Sport and Recreation, Motorcycling Western Australia has developed a draft Alcohol Policy ready for your club to adopt.

MWA recognises that almost all our clubs are already well down the path of being able to deliver the policy items outlined in the draft.

We would encourage you to make whatever changes necessary to tailor to your club circumstance, and to ensure the policy is provided to members as part of their member pack.

MWA will contact you during the season to see if assistance is required.

Should you require further information please contact me.
