SUBJECT: CLUB OF THE YEAR AWARD – NIGHT OF CHAMPIONS

Once again, at the annual Motorcycling Western Australia 'Night of Champions', the Club of the Year will be chosen, along with the Most Improved Club.

Having been run for five years now, these two awards are a significant endorsement and acknowledgement of the work that your club volunteers contribute to your club over a season. Importantly, it is a measure of how well your club is developing in terms of good governance and process, in other words, how well your club is running.

The Club of the Year is assessed directly against set criteria, and is entirely performance based. Every club is assessed. Points are awarded or lost on how well each club meets the criteria. The Most Improved Club is awarded on which club has the greatest increase in points compared to last year. The club of the year will be the club that performs the best over a broad range of criteria.

The criteria are:

- Number of Competitive events
- Number of National events
- Number of GoMoto's
- Number of Come and Try's
