**TO:** ALL CLUBS/PANELS  
**FROM:** Rick Gill, CEO  
**DATE:** 31 January 2017  
**SUBJECT:** Free Mini Licence Program

---

MWA runs through our MotoSafe Primary Schools initiative an incentive program called Free Mini.

This program partner's clubs and MWA, through MotoSafe, to encourage new junior members to join.

Participants at MotoSafe presentations are given a voucher that allows a free MINI licence from MWA for clubs that provide a free membership in their first year.

The Free Mini program has been successful and is now being extended.

Partner clubs that offer free Demo Class club membership for new riders aged between 4 and 9 can now offer their members the opportunity for a free MINI licence for their first year.

To take advantage of this the new member will need to apply for their licence manually by completing a special application form which MWA will supply to participating clubs.

Of note is the licence is a Mini licence and therefore suitable for non-competitive participation, Demo class and Minikhana.

We are confident that the prospect to showcase directly opportunities available at your club will result in longer term new members and ongoing advantages.

The advantages for clubs are many:

- New members to boost junior classes
- New volunteers to help on club days/busy bees
- More income from canteens
- More income from entry fees
- Your club being promoted directly to young riders.
- The choice of attending a Motosafe presentation to further promote your club direct to riders.

There is already strong commitment by several clubs to be a part of the project.

MWA will process all applications, which will only be accepted on the form.

As this is an Opt In program, all that is required to be part of the Mini Program is to contact either myself, or Nathalie de Montereau at our office.

I look forward to your involvement in this program.
