SUBJECT: Sign on sheets with Working With Children Check - Update

MWA have introduced new sign on sheets for Riders, Officials, Volunteers and Coaches. These carbonless copy books have now been introduced and can immediately replace any existing Rider, Officials, Volunteer or Coach sign on sheets being used by Clubs and/or promoters. Single page copies of the documents are also available on the MWA website to download if required.

1. The “**RIDERS SIGN ON FORM**”

This is a new 50 page carbonless copy version of the rider sign sheets and is now available for use.

The form stays essentially the same with only minor changes. Two additional information columns have been added to the previous sign on sheets commonly used.

- a. **MA LIC. EXP. DATE:** this has been added as an additional reminder to riders signing on to check that their licence is current.
- b. **RACE NUMBER:** this has been added to help identify riders and bikes practicing at venues

2. The “**VOLUNTEER WORKERS, OFFICIALS AND COACHES SIGN ON FORM**”

This is a single carbonless copy version of the separate Volunteer and Officials sign sheets that have been in use for many years.

The reason for combining the documents came about because MWA and all Clubs and promoters must now comply with the State Legislation guidelines regarding the Working with Children Act. One of the compliance criteria that must be met by all clubs and promoters that have children (under 18 years old) participating is to query all volunteers or officials on their status regarding the Working With Children Check (WWCC) legislation.

The new document aims to gather this information:

- i. as part proof that we are actively complying with the WWCC legislation
- ii. to be available when required for State audits,
- iii. to raise awareness amongst all participating volunteers and officials of their need to review their position within the sport with regard to WWCC.
