### **HELMET STANDARDS IN WESTERN AUSTRALIA**

*Adopted: Council meeting November 1994*

In accordance with the General Competition Rules of Motorcycling Australia, an approved and correctly fitted protective helmet shall be worn by each rider and passenger.

For all competitive and non-competitive motorcycling activities, conducted in Western Australia, including practice sessions, helmets must carry the Standards Association of Australia (SAA) Approved label for AS1698 OR any F.I.M approved standard, as listed in the F.I.M Technical Rules.

The above ruling is applicable to all motorcycling disciplines and all age groups.
