REVISED AND ADOPTED - FEBRUARY 2002

NATIONAL CHAMPIONSHIPSPROCEDURE FOR DETERMINING THE ALLOCATION OF TRAVEL GRANTS

1. TRAVEL GRANT FUNDING

1.1 Monetary Grant to Competitors for Travel to National Championships

1.1.1 Description

The Management Committee of MWA will determine annually the amount of travel grant funding to be allocated to each discipline.

Travel grants will only be approved for national championship competitions conducted interstate. There is no travel funding for national championship competitions held in WA.

1.1.2 Procedure

MWA may call for travel grant applications annually and the information shall be distributed to the affiliated clubs. It is the role of the club to distribute the information to it's' members.

The Management Committee of MWA will determine the closing date for applications and late applications will not be considered.

1.1.3 Selection Criteria

Applications will only be accepted from licensed competitors who are over the age of thirteen (13) years and who are resident in Western Australia.

Preference may be given to the highest ranked competitor in each discipline based upon the placing in the previous year's state championship.

Where the national championship is conducted over rounds, priority will be given to competitors contesting all rounds.

The Management Committee will make the final decision on the allocation of funding to any individual or team based on the recommendations of the MWA Sub Committees.

The Executive Director will advise each competitor in writing of any decisions made by Management including the method of payment.
