INFORMATION BULLETIN: #MWA0012025

DATE: 01/02/2025

AFFECTED DISCIPLINE: All

INFORMATION PERTAINS TO: Updated Permit Conditions

DETAILS:

Motorcycling WA would like to inform all affiliated clubs that Motorcycling Australia has released new permit conditions, which came into effect on 1st February 2025. These updated conditions apply to all permitted events, including competition, recreational, and non-riding activities.

Key Updates:

Permit Conditions: The revised conditions outline specific requirements for various event types, including competition and recreational events. These include updates to official accreditation levels, participant caps, medical requirements, and event classifications.

- **Officials & Governance:** Minimum levels of key officials have been updated for different event sizes, ensuring compliance with national regulations.
- **Event Regulations:** Adjustments have been made to permit lengths and licensing conditions for clubs and promoters.
- **Exclusion Periods:** Events must adhere to the updated scheduling rules, including restrictions on events within eight days of State Championships events on the same track.

New Guidelines Available Online

To assist clubs with the transition to the new conditions, Motorcycling WA has developed supporting permit conditions. Permit Conditions Document. Also, in addition to this Motorcycling Australia has developed supporting guidelines and policies, which will be available for review in the on the Motorcycling Australia and Motorcycling WA website.

Please note the current guidelines are available:

- [Come 'n' Try Guidelines 2nd Edition](#)
- [Medical Guidelines](#)
- [RPA Guidelines 4th Edition](#)
- [MA Suspended Licence Guidelines](#)
- [MA Recreational Policy](#) (please also refer to Appendix A of the MWA Recreational Policy)
- [MWA Recreational Policy](#)

The following additional Guidelines and Policies will be released shortly:

- Sweep Rider Guidelines
- Touring Policy
- Trail Guidelines

These guidelines provide further clarification on compliance, operational requirements, and best practices for event planning under the new permit structure. We encourage all clubs and promoters to review the new permit conditions and guidelines thoroughly to ensure a smooth transition. If you have any questions or require further clarification, please contact our office on 08 9371 5333 or at mail@motorcyclingwa.org.au.
